# READING PROGRAM INFORMATION

## Readers Entering 5K through Grade 6

Welcome to the Sauk City Public Library's Summer Reading Program!

- Please read books at or above your current reading level.
- You may *include* time spent reading magazines, newspapers, etc.
- Bring your reading record into the Sauk City Public Library to *collect your prizes!*
- If you lose your reading record, check with us at the desk.

### CHOOSE TO KEEP TRACK OF YOUR READING:

1. By the titles of the books you read **OR**
2. By the time you spend reading or listening to books (read aloud, on cassette or CD) **OR**
3. A combination of title and time.

### TO PARENTS/GUARDIANS:

Please initial your child's reading record for each section of the reading record he/she completes. The focus of the Summer Library Reading Program is to recognize your child's independent reading achievement by helping them find books they love.

For more information about the joy and value of summer reading, see our summer reading web page at [www.saukcitylibrary.org](http://www.saukcitylibrary.org).

### COLLECT READING INCENTIVES:

Come to the Sauk City Library to collect prizes. For every 3 hours or 3 titles read, you will receive a prize and the opportunity to spin the wheel for a token. Once you've collected 3 tokens of the same color, you may turn them in for special prize! Continue reading to collect more tokens and prizes! The last day to collect reading prizes is August 15.

### GRAND PRIZES:

There will be monthly prize drawings in June, July, and August. Anyone who reported hours and/or titles during the month will be eligible to win. Also, those who complete the program by reading at least 9 hours and/or titles will be entered into a drawing for a chance at one of two prizes.
